The Intel Northwest Science Expo System (NWSE) 2007-2008

- *develops scientific talent* and promotes science literacy in Oregon and SW Washington students
- *provides venues for presenting* high quality student research
- *encourages students* to learn science, engineering and math by engaging in the activities that characterize these endeavors
- *recognizes and rewards* the great work students do
- *inspires students* to consider science, engineering and math careers
- *gives OHSU faculty another venue to teach*, for inclusion in the academic teaching portfolio

How can you get involved?

- *as a Judge, Sponsor or Scientific Review Committee Member* for an upcoming science fair!
